\$50.00-\$96.32/hour
(session)

Position Description:

A rare opportunity to join our team at Gulf Central Early Steps as a Florida Licensed Speech and Language Pathologist, to work with families of infants and toddlers with developmental delays. This is a contracted position.

A pediatric speech therapist with Gulf Central Early Steps will provide early intervention, through a coaching model, to the 0-3 population, in their homes. You will have the opportunity to learn from other therapists and developmental specialists through weekly team meetings where you are given the opportunity to consult with the different disciplines. Our therapists take part in ongoing learning and support through FL-Epic (Florida Embedded Practices and Interventions with Caregivers). This amazing statewide professional development training program offers you your own provider coach to teach you how to work in this unique setting. We also offer opportunities to take part in research studies with FSU and UF through Autism Navigator. Come be a part of this exciting opportunity to grow as an early intervention Speech and Language Pathologist, as part of our team!

Requirements:

The ability to drive your own car is essential. Bilingual applicants are encouraged to apply. 1 year of Pediatric experience is preferred. We are an equal opportunity employer.

Benefits:

This is a contracted position with the ability to work 16-40/hours. Flexible schedule to help balance family and work responsibilities. Paid shadowing and professional development opportunities with FL-Epic.

Requirements:

Preferred:

Contact:

Speech Language Pathology
License
Experience with Children
Master's degree

1 year of Pediatric experience
