

Position Title:

Speech Language Pathologist (Contract)

Employer:

Health Planning Council of
Southwest Florida/
Southwest Florida Early Steps
(Self-employed contractor)

Location:

Fort Myers

Counties Served:

Collier
Lee

Salary:

\$81.32 to \$96.32 per
hour

Position Description:

The Health Planning Council of SW Florida (non-profit) is seeking a Florida-licensed Speech Language Pathologist to work with families of infants and toddlers with developmental delays in the early steps program.

The early steps program is Florida's early intervention program under IDEA. (Floridaearlysteps.com) Please consider applying if you want to be a part of a team that uses evidence-based practice to ensure that infants and toddlers with developmental delays reach their potential. We are fully implementing the team-based approach to early intervention serving children in their natural environment. We are seeking professionals that are passionate about providing the best interventions to young children and their families. We offer flexible schedules, on the job professional development and training and a wonderful team of providers to work with.

We are looking for someone passionate about early intervention and willing to learn and keep up to date with the latest advances in the field. The position is for a contractor, so you have full autonomy of your own schedule. We can support new providers as they begin the contracting process. We offer a mentoring process to support new graduates and those transitioning to early intervention from other fields.

We are also active in several research trials with the University of Florida, and Florida State University, and often have the opportunity for our providers to participate.

Requirements:

- A Florida Speech and Language Pathology license.
- The ability to drive your own car is essential.
- Bilingual applicants are encouraged to apply. We are an equal opportunities agency.
- Ability to work as a contracted provider, (support is provided for individuals wanting to contract as a sole proprietor).
