

**Position Title:**

Pediatric Physical Therapist - Staff

Employer:**Location:****Counties Served:****Salary:**

Southwest Florida Early Steps

Collier County

Collier, Lee

\$70,000.00 - \$84,000.00/year

Position Description:**Join Southwest Early Steps and Make a Difference!**

We're seeking a passionate and compassionate Florida Licensed Physical Therapist to join our dynamic team at Southwest Early Steps. In this rewarding role, you'll work directly with families of infants and toddlers (0-3 years old) experiencing developmental delays, providing individualized support and guidance within their homes and natural environments. We are an equal opportunity employer. New Graduates are encouraged to apply.

What You'll Do:

- **Empower Families:** Implement early intervention (IDEA part-C) services through a collaborative, transdisciplinary coaching model, focusing on family-centered care and supporting parents as their child's primary teacher.
- **Develop and Implement:** Create and deliver individualized family support plans, incorporating creative and engaging activities to address developmental milestones in areas such as gross motor skills, fine motor skills, and sensory processing.
- **Collaborate with a Team:** Participate in weekly team meetings with other therapists (Occupational Therapists, Speech-Language Pathologists, Developmental Specialists) for consultation, case review, and collaborative problem-solving.
- **Grow Professionally:** Benefit from ongoing professional development through the innovative FL-Epic program, including personalized coaching from experienced providers to enhance your skills in this unique early intervention setting. <https://www.flearlystepslearningcenter.com/>
- **Contribute to Research:** Explore opportunities to participate in research studies with leading universities (FSU & UF)
- **Flexibility:** Enjoy a flexible schedule that allows you to balance your professional and personal life.
- **Impactful Work:** Make a lasting difference in the lives of young children and their families.
- **Professional Growth:** Gain valuable experience and continuous learning through the FL-Epic program and collaborative team environment.
- **Competitive Benefits:** Competitive compensation for an extremely rare staff position with flexible hours (40 hours per week). In addition, our agency contributes an additional 10% into the 401K retirement program and no employee match is required!

Requirements

- Physical Therapy License
- Driver's License
- Bilingual applicants strongly encouraged
- 1 year of pediatric experience preferred (a mentorship program is available to new graduates)
